

Enrichment Activities

EXTRA CURRICULAR CLUBS

Our school offers an extensive range of clubs and enrichment activities, including football, athletics, swimming, running, gardening, conservation, drama, music, dance, ICT and art. Teachers run these clubs voluntarily so there is no charge. However, voluntary contributions may be requested on occasion to enable an activity to take place e.g. dance festival costumes.

MUSIC

The annual summer concert enables all pupils to display their artistic skills,. Singing, dance and accompaniment with musical instruments have been integral parts of the performances.

SPORT

The school plays competitive football, netball and rounders matches against neighbouring primary schools and participates in local athletics tournaments. Sports days are held for both Key Stage 1 and 2, and include competitive races and fun events.

RESIDENTIAL VISITS

At present there is a residential visit organised for Year 5:-

Year 5	Isle of Wight	Accommodation is in a small family hotel. Activities include visits to museums, an educational farm, beach study.
Year 6	Osmington Bay	

ACTIVITIES WEEK

After SATs we organise an Activities Week for Year 6 which includes sailing, kayaking, canoeing, raft-building, a visit to Portsmouth News Centre to publish the children's own newspapers, working with experts in sculpting and circus-skills.

CHARGING FOR SCHOOL ACTIVITIES

Educational visits are used to enhance the pupils' learning. Whilst many are local, some are further afield and it is sometimes necessary to ask for voluntary contributions towards the cost of transport, entrance fees etc. Board, lodging and travel costs are charged in full on all residential visits including school camp. Requests for help from parents on income support or family credit will be considered and assistance may be provided within the limits of the school budget. No child will be excluded for reasons of financial hardship. If insufficient funds are received however, the venture may be cancelled and future events reviewed.
