

Children's Involvement in School Life

BEHAVIOUR

High standards of behaviour and work are expected from all pupils. The children are encouraged to take on increased responsibilities as they progress through the school. To encourage high standards of attitude and behaviour, prefect and reward systems have been established.

PREFECTS AND MONITORS

Every pupil in Year 6 is elected as a prefect or monitor. A Head Boy and Girl is appointed together with Deputies. There are four Captains and Vice-Captains of the House System. Prefects undertake regular whole school duties.

SCHOOL COUNCIL

To further develop the rights and responsibilities of the pupils, the school has established a School Council. The School Council provides a forum for the children to express their views and encourages a sense of responsibility.
